

WAYPOINT

2015 Waypoint Cabernet Sauvignon “Oakville Ranch”

A waypoint is an intermediate point or place on a route or line of travel. In modern terms, it most often refers to coordinates which specify one’s position on the globe. In the wine world, one’s waypoint tells a unique story of time and place in the glass.

Waypoint was born out of the idea of spotlighting single-vineyard properties, throughout California, to highlight the unique terroir and characteristics of each of these singular plots of dirt. Between Pinot Noir, Cabernet, Merlot, and Petit Verdot, Waypoint was one of the first brands in California to place an emphasis on sourcing fruit from one specific locale and giving it the credit it was due.

A wonderful exercise in sourcing fruit from infamous plots, Waypoint enables us to dig deep into our rolodex to find fruit from unique places that deserve a little more attention. It all starts with fantastic vineyards and folks who farm the right way. There are plenty of important decisions that follow, but ultimately, it’s about letting the wines speak for themselves rather than digging into the winemaking bag of tricks. Single-vineyard wines need to stand on their own merit. Waypoint harnesses that belief with both hands and lets the vineyard and corresponding wine do all the talking.

Tasting Notes

Hillside Oakville fruit is responsible for some of the most iconic wines in Napa Valley. Expertly farmed to organic standards by Phil Coturri, this wine is very smooth and inviting and filled to the rim with juicy black cherry liqueur and blueberry fruit.
